

Thank You!

Circleville City School Foundation

Circleville City School Foundation Board of Directors extends their sincere gratitude to the following individuals, businesses, restaurants, organizations, and groups who helped make our fourth "Raise Your Paw" auction, held on February 25, a tremendous success. Your thoughtfulness and generosity in donating auction lots, securing our refreshments, and encouraging friends, family and neighbors to attend our fundraiser attributed to this success. CCSF's mission is to enhance the educational opportunities and experiences of Circleville City Schools' students. Meeting this goal will help strengthen our community and prepare the way for its future leaders. Two paws up for everyone who bought tickets and came to bid, dine, laugh, and celebrate. See you next year!
